Animation Project

INSTRUCTIONS:

There are 16 images in this activity book that are part of an approximately 1 second animation loop.

You may work on them digitally
or in an analog fashion by printing them on 8 1/2" x 11" paper.

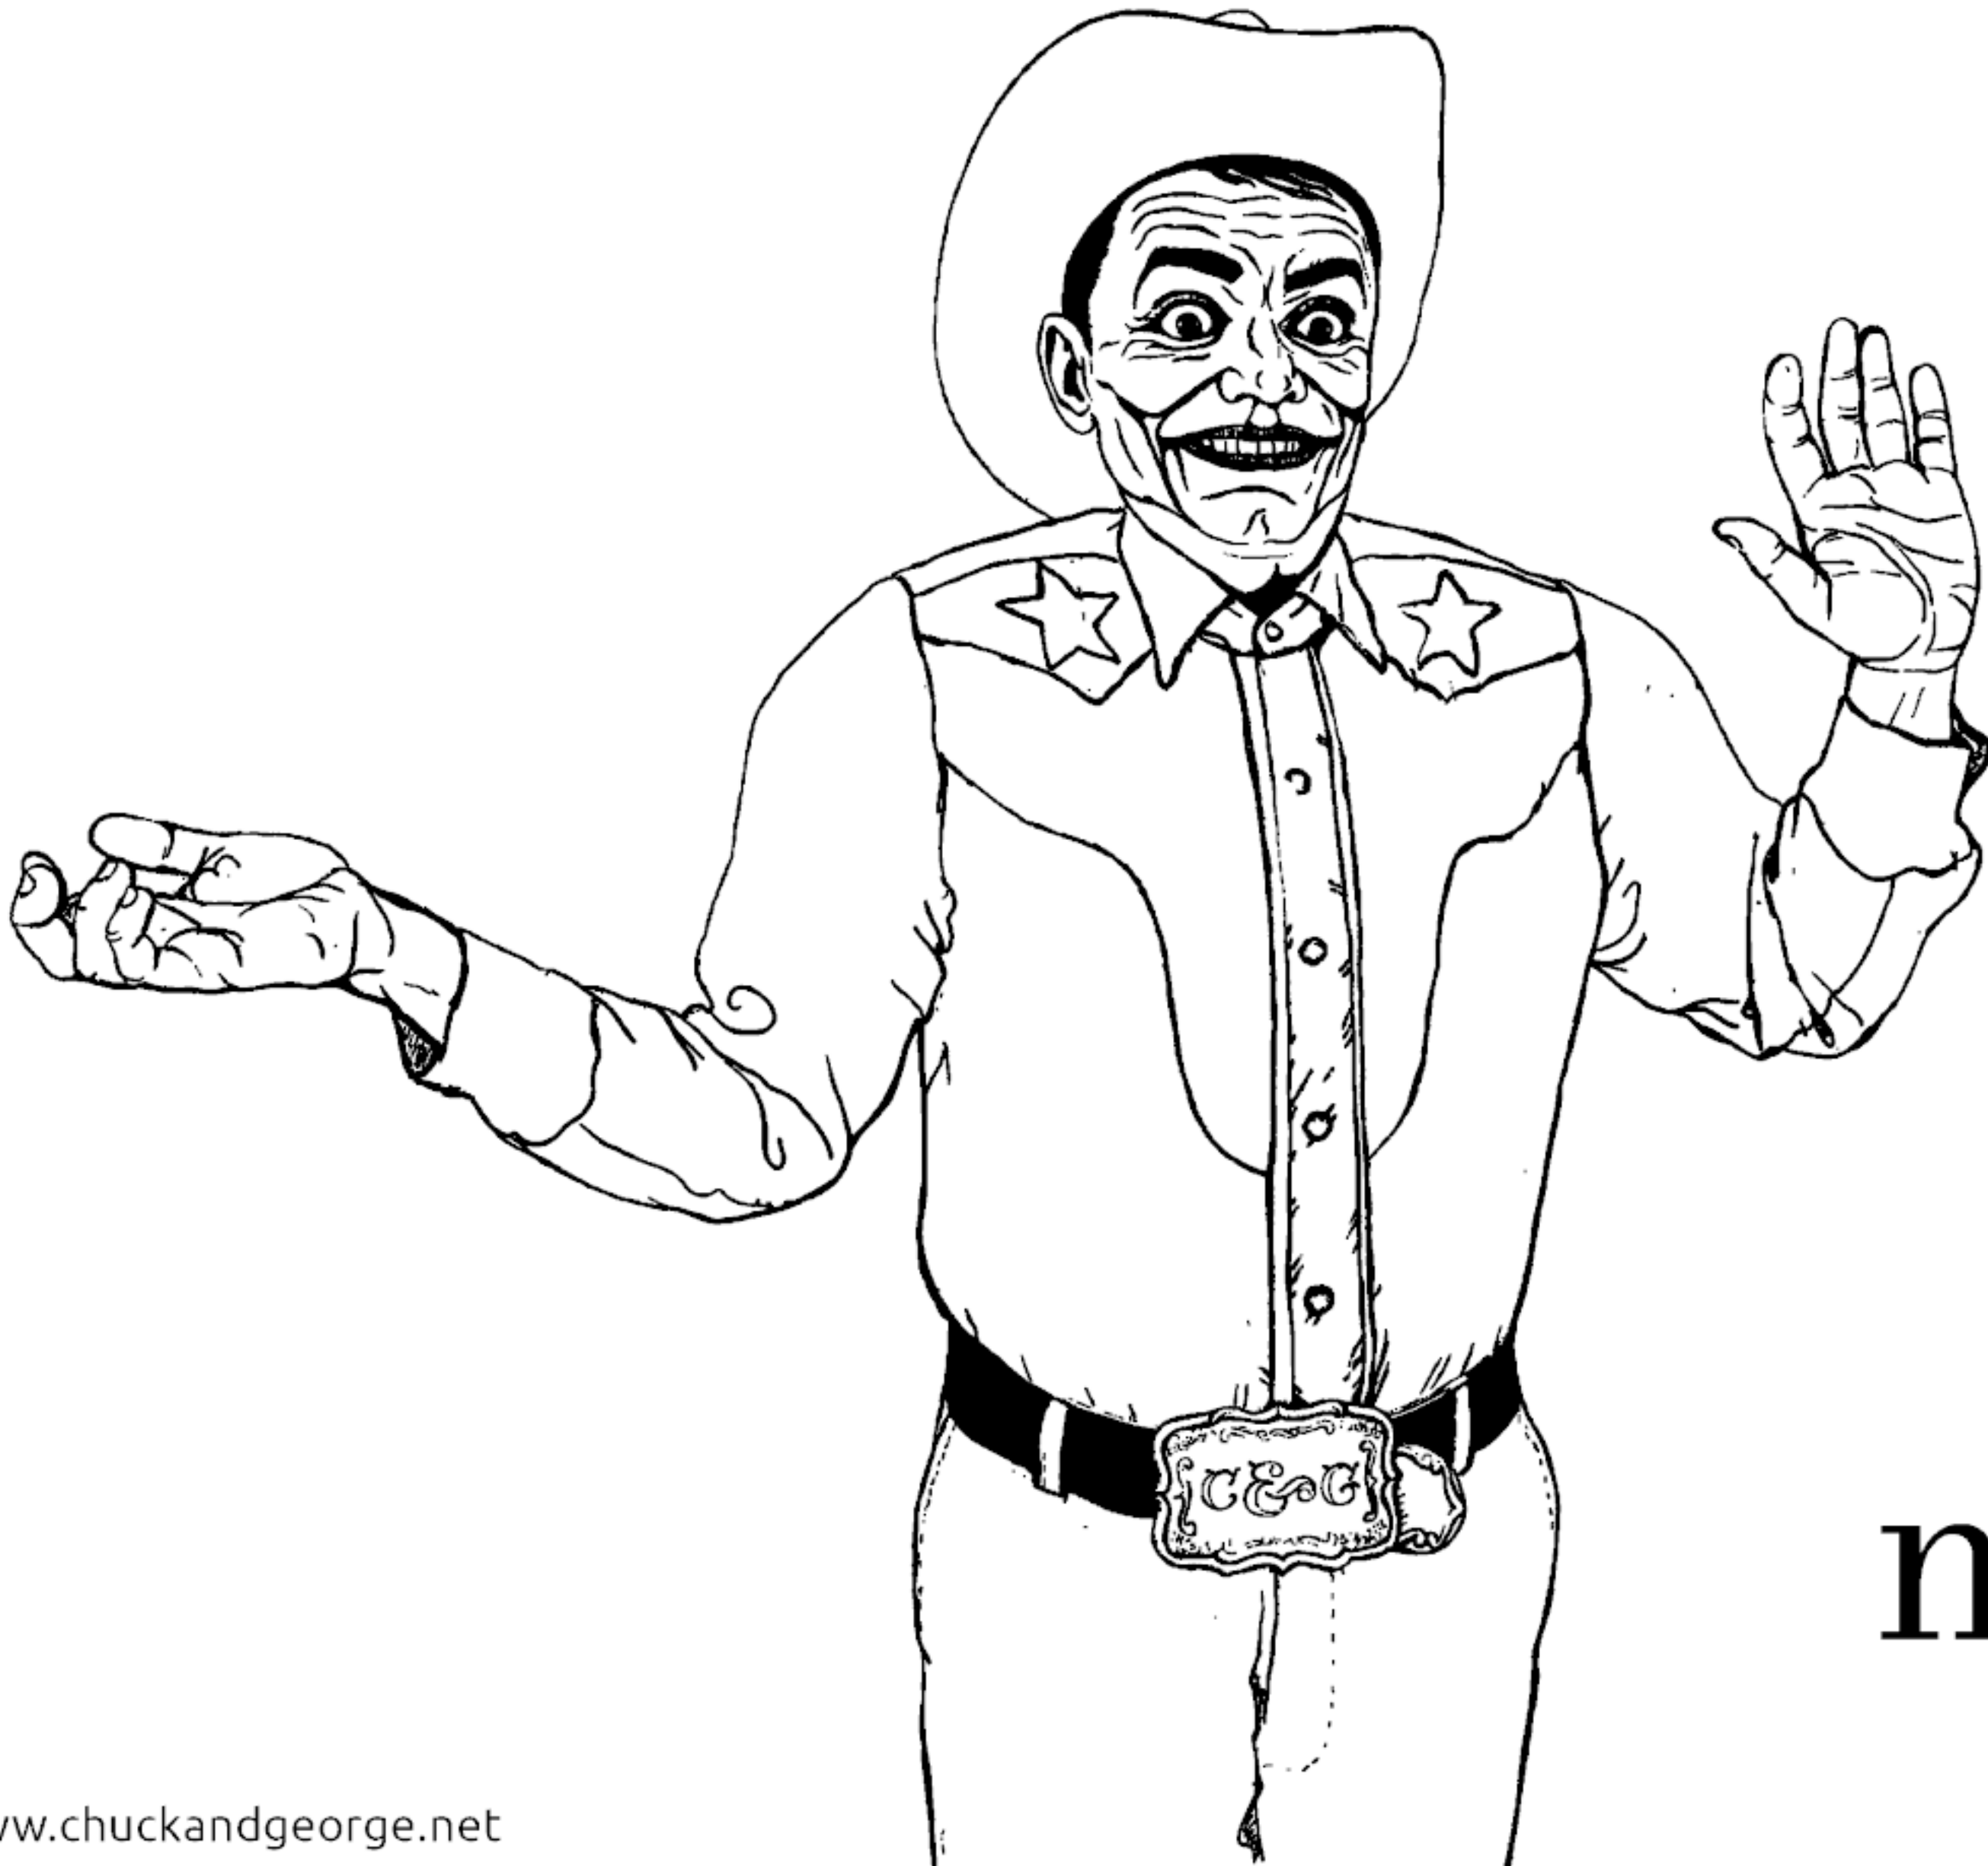

Print them at 100% with no border if you can.
Scan the finished pages for use in the animation.

You are free to straight up color these and of course make sure you add your own flames and smoke.

Those feeling more creative or subversive may do as they please.

Make it Burn
Make it Dance
Make it Fart
Make it Your Own

Send your finished jpegs to: brianjones@chuckandgeorge.net
I will compile them into an animation.
